ACKNOWLEDGING THE LAND

Ars Nova operates on the unceded land of the Lenape peoples on the island of Manhahtaan (Mannahatta) in Lenapehoking, the Lenape Homeland.

We acknowledge the brutal history of this stolen land and the displacement and dispossession of its Indigenous people. We also acknowledge that after there were stolen lands, there were stolen people. We honor the generations of displaced and enslaved people that built, and continue to build, the country that we occupy today.

We invite you to join us in acknowledging all of this as well as our shared responsibility: to consider our way forward in reconciliation, decolonization, anti-racism and allyship. We commit ourselves to the daily practice of pursuing this work.

ABOUT THE ARTISTS

MICHELLE CHAN BENNETT (she/her) is an NYC-based writer and actor whose work has been featured in Vulture, New York Sketchfest, Montreal Sketchfest, and Chicago Sketchfest. You may have seen her dancing in Ziwe's Pop Show or starring as "Cheryl" in the BIPOC murder mystery play, The Art of Killin' It. She was an actor on UCB's Maude Night and continues to perform around North America with the team, Yes Chef! She writes and produces digital sketch with Hatched NYC. She also performs original characters on Just for Laugh's Characters Welcome.

JOSH NASSER is an NYC based stand-up comedian. His comedy has been featured on Comedy Central's YouTube Channel. Vulture and onmogul.com have both named Josh as one of the best up and coming comedians in NYC. Josh previously co-hosted the NYTimes recommended comedy show, "Oh, Such a Good Show, Oh!" Currently he's a member of the Webby Award winning writing team behind Story Pirates Podcast, which adapts children's stories into musical comedy sketches. You can find his previous work at joshnasser.com. And of course his favorite food is plain cheese pizza. He knows that's a boring choice and he will work on it.

SHEM PENNANT is a London-born, Brooklyn based martial artist turned comedian and musician who has directed several stage shows, short films and live events in both countries, and works internationally as a corporate video director and producer. He is a founding member of a radical London performance art collective and his work has been on the BBC, Vox, Vulture, UCB and more. He is surprisingly mean for someone with such kind eyes.

ANDY BELL is a multi-instrumentalist composer and producer living in Brooklyn.
